PTO NEWSLETTER

A NOTE FROM OUR PTO PRESIDENTS

Dear ALT Families,

It has been a quiet January in the snow department. Hopefully we won't get an entire winter's worth in February. Since the snow didn't scare us in January, the 1st and 2nd grade roared through ALT with their dinosaur themed concert called "Dinostars" on the 26th to provide some entertainment. The PTO plans on providing some educational entertainment on February 27th for the students with Kit's interactive theatre.

We realize that a good portion of the male population will have the football blues by February 26th, so we have decided to organize a bowling afternoon. We are asking the students to bring their favorite guy (Dad, Grandfather, uncle, brother, friend) bowling with them to AMF bowling from 2-4pm. A flyer will be going home soon.

Happy Valentine's Day!

ALT PTO Co-Presidents, Sheila Marion & Lisa Pravato

Kit's Interactive Theatre

Through a combination of improvisational theatre, music, and dance, Kitty Jones, an award winning regional theatre actress, will bring history to life at ALT on February 27th. Grades 3-5 will participate in a Colonial Life play that supports the social studies curriculum, while grades K-2 will be reminded to respect our earth in a production that celebrates Mother Nature. Both performances include the continual participation of students and teachers, historical props and costume pieces, as well as period dance and music. The PTO is excited to welcome Kit and give our students the opportunity to engage in improvisational theatre that is educational and fun!

ICE CREAM DAY

is February 21st, please send in \$1 with your child

BOX TOPS

GET OUT YOUR SCISSORS...

Please send all cut boxtops in a labeled envelope. Each boxtop reimburses \$0.10 to our School. If you have questions contact Cyndie Crocco rcrocco@optonline.net

February is Dental Health Month

Please reinforce the importance of **good oral hygiene** to your children.

- The teeth and the tongue should be brushed at least twice daily (morning and evening).
- Floss daily!
- Change your toothbrush regularly and after illness .
- The ADA recommends check-ups every 6 months for school age children.

Nutrition also plays an important role in dental hygiene.

- Limit foods and beverages with a high sugar content-
- Include more fruits and vegetables in your diet
- Drink plenty of water

Did you know?

Sports drinks like Gatorade, Powerade and Red Bull have caused approximately 11 times more tooth erosion than plain soda.

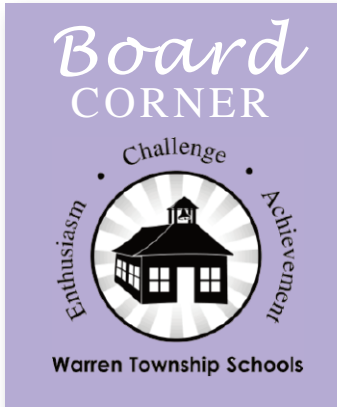

Keep Smiling!

Mrs. Brennan
ALT Nurse

Announcement!

5th grade parents...

Please send in documentation (to the school nurse) after your child receives the (2) vaccines required for 6th grade.

After much discussion among members of the Board of Education Finance Committee and district administration, a preliminary budget has been developed. Until we hear the governor's announcement of state aid numbers in late February and make any necessary adjustments to the overall budget, the budget is not final. The 2012-2013 budget reflects an emphasis on maintaining high quality programs for our students while staying within the state-mandated cap on tax levy increases, focus areas clearly heard from the community last year. Next year's budget will include the continued support of 21st century skills, the expansion of the Mandarin program at WMS, and the continued implementation of the pre-engineering program in grades 3-8. Discussions regarding the budget will continue over the next several weeks. Feel free to contact members of the Finance Committee (Roberta Monahan, Don Huber, Jim Sena, Tia Allocco), the Business Administrator (Pat Leonhardt), or the Superintendent (Tami Crader) with questions or concerns. Feel free to participate in ongoing budget discussions by sharing your opinion at upcoming BOE meetings. Board meetings this month will be held on February 13th (BOE conference room) and 28th (Central School) at 7:00 p.m
