The Culture Club

Come join us as we learn, sing, dance, play, explore and celebrate cultures around the world. **Second and Third Graders** are invited to join us on a journey to seven fascinating countries in Latin America. This Latin adventure is filled with cultural fun-facts, vocabulary, arts and crafts, games, songs, music, and food! We live in a diverse world made up of many unique people and cultures, which is what makes our communities so special. Let’s explore and discover our differences and similarities together! We will be taking our passport journals to Central and South America, as well as the Caribbean, to see what curious and wonderful things we find.

So come and discover the wonders of Latin America on **Wednesdays, 3:30 - 5:00 starting January 14th**.

Interested in the adventure? Just fill out the form below and return it to Señora Cruz by Friday, January 9th. We hope to see you there!
