

ALT Back to School Night

Thursday, September 22, 2016

Dear Parents/Guardians,

Please plan to join us on the evening of September 22nd for Back to School Night here at ALT! As you will see below, the evening is broken into 3 sessions to accommodate parking and access to as many staff as possible. If you cannot coordinate time to meet all of your childrens' teachers on this particular night, please feel free to email them directly as needed throughout the school year. In addition, our PTO will be hosting a reception area and Book Fair throughout the evening in the All Purpose Room. You're welcome to attend the Book Fair and reception during sessions outside of your classroom visits. In addition, please make every effort to preserve space for parents and arrange for children to remain home during this event.

Looking forward to seeing you on the 22nd!

Ms. Smith, Principal
