Letter from our President

Dear Friends,

February starts with our annual author visit, this year is Meghan McCarthy. All children will receive a free book compliments of the ALT PTO. The children anticipate the author visit yearly, it is evident that Mrs. Jackson transmits her love of books to our children. Thank you Mrs. Jackson!

The ALT PTO will once again delight and inspire the children with our International Day on Thursday, February 8th. This year we will be celebrating the people, sports, music, foods and traditions of Germany. Please have your children come in either traditional German attire or the colors of the German Flag, black, red, gold to get into the spirit of our International Day.

The children are busy preparing for International Day, learning about classical composers in music class with Mrs. Sutherland and working on their own German artist inspired creations with Ms. Pellagrino. In the morning, each grade will travel to Germany and receive an envelope to collect special souvenirs along the way. They will have an opportunity to interact with different aspects of the country, learning about popular athletes and sports, making and sampling pretzels, listening to a live performance of classical music and seeing many traditional items in the marketplace.

In the afternoon, the children will participate in a German dance assembly presented by The Doppelgaenger Band from PA! Many thanks to the committee led by Carina Bellmann & Gina Valenti for their dedication, passion and hard work putting this opportunity together for our children!

We look forward to an educational and inspirational International Day. Happy Valentine's Day! **Nelly Pucci, PTO President**

Book Fair..

Our Annual Scholastic Book Fair will be held evening of Tuesday, February 27th (during Reading Fair) through Friday, March 2nd. Many parent volunteers are necessary to make this event a success. Please look out for an eblast containing further information.

Thank you!

Thank You Andrea Berez for chairing another successful Fruit and Veggie Tasting Day! Many thanks for all the volunteers who washed, chopped and served fruit and veggies. It is a team effort.

"There's just something beautiful about walking in snow that nobody else has walked on. It makes you believe you're special." - Carol Rifka Brunt

While Ms. Brunt's words conjure images of the beauty of a new-fallen snow, they also remind us of the challenges of safely transporting over 1700 students and 350 staff members to and from the district's schools each day.

The superintendent has the responsibility to close schools, open them late or dismiss them early in hazardous weather or in other extraordinary circumstances which might endanger the health or safety of students or school employees.

A careful analysis of all relevant factors is completed in consultation with school, township, and regional resources when inclement weather is forecast. This process can begin days ahead of an anticipated storm but ultimately plays out in the very early morning hours with decisions made so that the communication plan can be put into action to ensure all families and staff receive word as early as possible.

Now is the time for families to review their plans for responding to these school closing events so that in the event that the phone call comes, they can be implemented quickly to ensure that children are supervised appropriately.

Messages about emergency school closings or delays will be communicated through all available channels - online media outlets, radio station 1450am, broadcast television stations 2, 7, and 12, the district's Facebook and Twitter accounts, www.warrentboe.org, the district's telephone system, and through our school-to-home communication system, School Messenger.

Adjustments to the school calendar create challenges for everyone associated with the schools. Ultimately the decision to close or delay will be made based solely on whether it is in the best interest of students' and staff members' health and safety. Thank you for your understanding and cooperation.

Matthew A. Mingle, Ed.D.

February is Dental Health Month

Please reinforce the importance of good oral hygiene to your children.

- The teeth and the tongue should be brushed at least twice daily (morning and evening).
- Floss daily!
- Change your toothbrush every 3 months and after illness.
- The ADA recommends check-ups every 6 months for school age children.
- **Keep hands away from your mouth and nose to avoid germs**

Nutrition also plays an important role in dental hygiene.

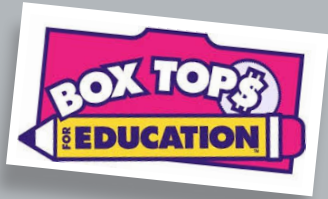

- Limit foods and beverages with a high sugar content
- Include more fruits and vegetables in your diet
- Drink plenty of water

KEEP SMILING!
