Dear Parents,

This year has soared by, the ALT PTO is proud of all the events and experiences we have provided your children this past year! Certainly, we have strengthened the educational and cultural opportunities of ALT school students. We are wrapping up the year with Field Day on June 8th, it is one of the most eagerly anticipated days of the year for the entire school. The PTO will provide field day shirts for the children to wear and provide pizza for lunch! Thank you in advance Kristen Prisco & Libby Drews for all your preparation for this wonderful event.

This June, we bid farewell to our 5th Graders who will be moving up to the middle school. We will miss you and wish you continued success. We also have 14 Moms who have made major contributions to our PTO who will be moving on to the middle school. We thank you for your service to our school!

Before the end of the school year, please take notice of the entrance of our school as we will be beautifying the area for years to come, compliments of the PTO. There were times this winter (and early spring) when it seemed like the warm weather and sunshine would never return. Yet, here we are counting down the days until June 22 and summer recess. Now is the time to finalize plans to participate in two wonderful programs in the Warren Township Schools - one that has been a critical part of the district for many years and one that is brand new.

Summer Fun is a unique program where students can attend academic support and enrichment courses taught by certified teachers alongside peers from across the district. The breadth of offerings is amazing with students having the opportunity to learn and grow in the arts, athletics, STEM, drama, and so much more. Registration details can be found at www.warrentboe.org.

The district's new before- and after-care provider is AlphaBest. The program supplements school-day learning in a fun, engaging way, focusing on cutting-edge learning themes - STEM, world languages & culture, arts & entertainment, fitness & wellness, and the maker movement. The program will be offered at all four district elementary schools. Registration information is available at www.alphabest.org/warren.

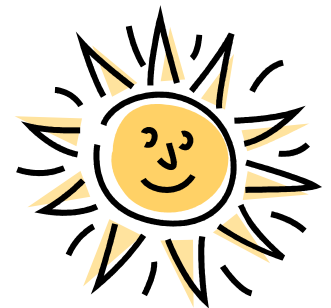

Here is to a rejuvenating summer filled with lots of quality time with family and friends!
