

Welcome back!

The Central School PTO offers food five days a week from local vendors to provide a variety of nutritious, diverse, kid friendly food. Some of the vendors include La Strada, Bagels 4u, Warren Deli, Moe's Southwest Grill, and Mr. Pi's to name a few.

For new Kindergarten families, please Log on to www.myfooddays.com to create an account today! Log in to Central and click new kindergarteners.

For returning families, please log on to www.myfooddays.com and choose your child and update your child's homeroom and grade.

The Food days ordering system will open for ordering on **September 1st and end on September 9th**. With the long weekend upon us we recommend you order right away! This first food run will be for **September 19th through the October 28th**, so you will need to send a bag lunch in lunch through September 16th.

- Please Note - Prior to check out on the website, parents will be asked to waive any liability against the PTO and the District for the child's participation in Food Days. This is necessary to protect our PTOs and volunteers because they do not purchase or prepare the food, but merely facilitate the food's distribution.

We still need volunteers for food days! The food day committee is a great opportunity to meet other Central school parents and get a glimpse of your child's school day during lunch. The commitment is once or twice a month from 11:30-12:55 for each food day you sign up for – promptness is required.

Kids love Food Days at Central. Parents do too!! If you have any questions about food days, we are always available to answer any questions. Please contact Jen Nuzzi at fjnuzzi@optonline.net
