

Week of Making Good Choices

October 19-26th, 2016

In recognition of **School Violence Awareness Week** and **National Red Ribbon Week**, Central School will be celebrating “**A Week of Making Good Choices**” October 19-26th. In line with our district wide character education curriculum, we will be encouraging students to positively handle conflict and solve problems while staying bully and drug free. Our goal is to continue to encourage a positive school climate.
