Friday 3:20-4:20

Jan 20th, 27th, Feb 3rd, 10th, 24th, Mar 3rd, 10th And 17th
Classes will be held in Room 2B (down the hall from the APR)

Eight week Session: \$130

SESSION 1: Elements of Art

During this first session, students are exposed to the building blocks of art education, through the introduction to the simple, yet necessary, elements of line, shape, color and texture.

SESSION 2: Drawing

Encouraged to observe their environment, they begin utilizing the fundamental elements of design to create works of art. A variety of media will be introduced to inspire experimentation.

SESSION 3: Painting

Introduction to both representational and abstract techniques to create work based on their imagination and environment. The creation of mixed-media pieces ensures some exceptional work!

SESSION 4: Three Dimensions

The use of clay transitions artwork to three-dimensions. The physical manipulation introduces advanced spatial relationship and motor skills, while encouraging greater understanding of height, width, depth and texture.

This Session We Will Be Focusing on Drawing
