

the difference
1 can make.

We are starting our February Box Tops Campaign! Thank you to all who have sent in box tops thus far this year. Now is the time to step up our collection efforts to in order to meet our **goal for the year: \$1000** to help the PTO fund the many educational programs they offer our children. Thus far this year, we have only raised about \$300 through box tops. We will need everyone's participation to meet our goal. If you have never clipped a box top before, now is the time to start! We need to collect about 7,000 more box tops!

At the end of the year, the class who has collected the most box tops will get a class prize! So far the tallies show Mrs. Ceccato's class is in the lead with Mrs. Cartalano-Gomez's class right at their heels, and many more classes close behind!

Deadline for sending in all box tops is Feb 27th!

You can glue box tops on the attached **sheets** (or print other sheets from the box tops website) or send them in **Ziploc bags** with totals written on the bag. Don't forget to always label the box tops sheet or bag with your child's name and teacher. *Please do not send expired box tops or "Labels for Education".*

All of your efforts are much appreciated! The money we collect always goes toward something meaningful to improve our kids' education!

Please reach out if you have any questions: payal_dave@yahoo.com
