Dear Central Families,

We look forward to seeing all of you at the Adult Social **“Central Derby”** Fundraiser on **Friday, March 10th at the Bridgewater Manor**. All proceeds from the event will help the PTO to continue to provide the great programs and functions that enhance our children’s school experience.

ers about the chick hatching process and each class will have up to 12 eggs hatch in each classroom.

The PTO is also excited to announce that will be sponsoring **International Day on Friday, March 17th**. This year we will be celebrating the people, culture and countries of Australia, France and Mexico. Each student will learn about Australia’s outback, great barrier reef, Aboriginal art and learn about Australian music as they listen to a didgeridoo player. Students will learn about famous French people through historic re-

enactment, the Braille system and build their own Eiffel Tower. Students will also learn about Mexico’s song, dance and cultural traditions and participate in a school wide assembly.

At the end of March the PTO has invited the Franklin Institute to conduct 2 assemblies for our students. The 3rd graders will attend an assembly about Electricity and the 4th graders will attend an assembly about Chemistry.

Lisa Slepokura,
PTO President
