

Molding Creative Thinkers Through Art

# ART CLASS

Session 3: Enrichment program that helps children **ALL AGES** tap into their inner artistes, developing self-confidence and molding imagination, all while having fun.

**TWO CLASSES:**  
**K - 2<sup>nd</sup> Grade**  
**3<sup>rd</sup> - 5<sup>th</sup> Grade**

Mondays at 3:40 - 4:40 P.M.

Dates: March 26; April 9, 23, 30; May 7, 14, 21; June 4

**Classes will be held in the APR**

Session 3 - Eight Weeks: \$140

**SESSION 1: Elements of Art**

During this first session, students are exposed to the building blocks of art education, through the introduction to the simple, yet necessary, elements of line, shape, color and texture.

**SESSION 2: Drawing**

Encouraged to observe their environment, they begin utilizing the fundamental elements of design to create works of art. A variety of media will be introduced to inspire experimentation.

**SESSION 3: Painting**

Introduction to both representational and abstract techniques to create work based on their imagination and environment. The creation of mixed-media pieces ensures some exceptional work!

**SESSION 4: Three Dimensions**

The use of clay transitions artwork to three-dimensions. The physical manipulation introduces advanced spatial relationship and motor skills, while encouraging greater understanding of height, width, depth and texture.
