

Klubhouse Kids, Inc.

Serving Warren Township Public Schools

ALT Central Middle School Mt. Horeb Woodland

Klubhouse Kids is a state licensed after school program designed to care for elementary and middle school children serving Somerset County for over 33 years. The concept upon which the Klubhouse philosophy is based is Respect for the Child. Our program always endeavors to individualize the expectations for each child by that child's developmental stage. We stress strong interaction between families, staff and community.

Klubhouse runs in accordance with the public school schedule beginning at school dismissal until 6:30 pm. This includes care on half days as well. Klubhouse staff supervised bus transportation, provided by Fred Dealaman Bus Company, to our two Warren sites is included in the daily fee along with nutritious snacks. All of our staff members are certified in First Aid, AED and CPR.

Typical Offering of Activities

- Care and transportation for 4:15PM CCD classes at Our Lady of the Mount
- Supervised homework in a separate, quiet area with reference materials available
