

Summer Fun 2016 Coming Soon!

Don't delay, enroll today! Classes are filling up quickly!

Our Brochure and Registration Forms are available in all Warren School offices and on our Website at www.warrentboe.org

Summer Fun is quickly approaching and our registration deadline of June 3rd is almost here.

We have extended our Early Bird deadline!!!!
Don't delay! You can save 10% off your child's entire fee if your registration forms are received by May 16, 2016,

Summer Fun is a unique program where students can attend remedial and enrichment courses. This year we have again opened our doors to Warren residents and residents of surrounding districts. This provides our Warren students an opportunity to meet new friends and socialize with children from other districts.

All of our courses are taught by certificated teachers who specialize in the areas for which they teach. We offer a variety of classes where your child can grow and soar. We have sports, music, art, literature, math, drama, technology and scientific courses as well as STEM- driven classes and a thriving teen program. All of which are designed to be fun and educational!

I believe that our program is the best value around! Once again we have not raised our rates! We are offering our amazing program at **2009 prices!** We also offer an Early Bird discount. If registration forms and payment are received by **May 16th, 2016**, you will receive a **10% discount off of your entire registration.** **Additionally we have kept our Super-Saver Discount price and Extended Care and After-Care fees the same as last summer. We also offer a sibling discount of 10% off of the fee for each additional sibling that signs up.**

What is great about our program is the fact that your child may register for one week, two, three, four or our entire five week program. Children may select different classes each week which allows them the opportunity to try many different courses as well as sign up again and again for their favorites!

I am so excited to once again head this program where children get the opportunity to learn, develop new skills, socialize and challenge themselves. Our staff is just incredible! Come join us at Summer Fun 2016!
