

The **WYBA** (Warren Youth Basketball Association) would like to thank its 2015-2016 season and former sponsors. We are now welcoming sponsors for the 2016-2017 season. The league and clinics could not exist without the volunteerism and donations of local businesses and family members.

To become a WYBA sponsor, the process is easy. Simply fill out an [online form](#). The cost to sponsor a WYBA Recreation team and have your business or family name on the back of each jersey is \$350. Other donations are welcomed.

A list of last year's sponsors can be found on our [website](#). We also invite you to write an announcement for your business or family donation to display on our website.

Thank you!
