

# New for 2016

## Kindergarteners can join Cub Scouts with Pack 182!

Pack 182 is happy to announce that we are participating in the Boy Scouts of America national pilot program for kindergarteners called "Lions." The purpose of Cub Scouting is to help young people build character, learn citizenship, develop personal fitness, become effective leaders, and have fun in the outdoors. Lions is a simple and great way to introduce families to Scouting.

### Join Us

Come to our first Den Meeting on Thursday, October 13<sup>th</sup> from 6:00pm to 7:30pm! RSVP's to Michael Minieri ([maminieri@yahoo.com](mailto:maminieri@yahoo.com)) appreciated but not necessary.

### Program

The Lion program is made up of 12 adventures. Each adventure is designed to help your son have fun and learn useful things. Earning the five required adventures leads to your son achieving the Lion badge. In addition to the five required adventures, there are seven elective adventures that the boys in the den may earn for further fun and enrichment.

Lions is a family-oriented program. A youth and his parent or adult partner join Scouting together. The boys and their adult partners meet together in a group called a den. Dens will meet approximately twice per month. They have fun participating in den meetings and outings while making memories together. Adult partners take turns leading a den meeting or outing during the year. Most meetings and outings are approximately 45 minutes in length.
