The program will be held this year at:

Angelo L. Tomaso School
46 Washington Valley Road
Warren, NJ 07059
908-753-5300 ext. 5470

What is Summer Fun?

- Summer Fun is a summer program that is offered through the Warren Township School District. It is a summer school program where children can attend remedial classes and enrichment classes.
- Summer Fun serves two purposes: It is a place where Warren Township students and those from the surrounding areas in kindergarten through 8th grade can attend teacher-recommended remediation classes as well as an exciting enrichment summer camp program where children can register for fun activities.

Summer Fun is a great place to be!

- It is a summer camp and so much more!
- Summer Fun is a safe environment where learning, adventure, and social interaction take place.
- Students can sign up for different enrichment classes every week!
- Summer Fun offers after care up to 6 p.m. every day.
- Early Bird and Sibling Discounts are offered.

Here is what students and teachers are saying about our program:

"I'm teaching the animal adventures class and we are having fun learning about different animals each week. We have gone on dinosaur egg hunts, dissected owl pellets, moved eggs like emperor penguins and done numerous arts and crafts projects!" - (Mt. Horeb Teacher)

"Cooks with Books was my favorite class because you get to learn new recipes and eat good food." (Central 4th grader)

"P.L.A.Y. is a good way to keep active and it gets your heart pumping." (Mt. Horeb 4th grader)

"Summer Fun is awesome and the teachers here are great!" (Warren Middle School 6th grader)

"Cooperative Games is my favorite thing. I want to come back next year." (Mt. Horeb 5th grader)

"Summer Fun is an opportunity to try out things you don't usually do every day." (Woodland Teacher)
