

Klubhouse Kids, Inc.

After School Child Care
Serving Warren Township Public Schools

Now accepting applications for September 2017

Klubhouse Kids is a state licensed after school program designed to care for elementary and middle school children. The concept upon which the Klubhouse philosophy is based is Respect for the Child. Our program always endeavors to individualize the expectations for each child by that child's developmental stage. We stress strong interaction between families, staff and community.

Klubhouse runs in accordance with the public school schedule beginning at school dismissal until 6:30PM. This includes care on half days as well. A flexible schedule is available. Klubhouse staff supervised bus transportation, provided by Fred Dealaman Bus Company, to our Warren site is included in the daily fee along with nutritious snacks. All of our staff members are certified in First Aid, AED and CPR.

Typical Offering of Activities

- ❖ Supervised homework in a separate, quiet area with reference materials available.
- ❖ Quiet library area with soft seating and a large selection of age appropriate reading matter.
- ❖ Indoor/outdoor sports and games and/or free play in a park like setting.
- ❖ Arts and crafts, manipulatives, games and puzzles.
- ❖ Science and multi-cultural projects.
- ❖ Computers for homework and educational games.
- ❖ Community outreach ventures.
- ❖ Dramatic play area.
- ❖ Care and transportation to Our Lady of the Mount for 4:15 CCD classes.
- ❖ Separate Middle School activities – late bus available.
