FAYLA is a non-profit organization that provides individuals and families with resources, information, and education to help improve the quality of life for those in need of guidance and support in the areas of mental health, substance abuse, suicide prevention, bullying, and driver safety awareness. It is our mission at FAYLA to help communities become mindful of the many issues that individuals and families face on a daily basis, as well as shed light on the resources available to assist those in need.

A party with a purpose. All proceeds will benefit the FAYLA organization.
