

WARREN TOWNSHIP SCHOOLS

SUBSTITUTE TEACHERS NEEDED

\$100 per day

Are you interested in applying for a substitute position in our schools? Do you know someone who would be an asset to our school system in such a position?

We are always in need of caring and competent applicants who are able to assume the role of teacher or paraprofessional in one of our district schools on an as needed basis.

In order to be a substitute teacher in the state of New Jersey, you must hold a NJ Teacher certificate OR a NJ Substitute Teacher Certificate which is good for five years. An official college transcript showing 60 college credits is needed in order to apply for a substitute teacher certificate. The state fee to obtain a substitute certificate is \$125.

For more information in becoming a substitute teacher in Warren Township Schools, please contact:
