

Warren Township Schools

Shining Brighter Every Day

April 9, 2018

Dear Parent / Guardian,

The Warren Township School District's K-8 Art Department is excited to invite you to a District Celebration of the Arts. As part of our effort to highlight the wonderful work that students create in our visual and performing art programs, almost all students who participate in an art class will have a piece of art professionally displayed during the event.

The district has enlisted the support of [Artome](#), a company that specializes in coordinating wonderful student art displays. The event will enable you to preview student art from across the district that is professionally framed and displayed. If you would like to purchase your child's framed artwork, you will have the option of doing so that evening for \$25. All purchases must be made with cash or check. All profits from the evening will be used by individual PTOs to support future arts programming.

The district's Celebration of the Arts will take place on Wednesday, May 30th from 4:00 - 8:00pm at the Warren Middle School. You are welcome to stop by at any point during the show to enjoy student art.

A follow up invitation will be sent as we get closer to the Celebration of the Arts. For now, please mark your calendar!

Sincerely,

The Warren Township School District's Art Department
