## How the Program Works

Students are assigned to a group lesson and an ensemble, depending on what instrument they play and how long they have been playing. Generally speaking:

- *Beginners* — Never Played
- *Intermediate* — 1-2 Years experience
- *Advanced* — 2+ Years experience
- *High School* — Entering 9th Grade or Higher in September

We have 6 highly qualified and experienced music teachers working in small groups to ensure not only success for our students, but enjoyment as well!

During our 4-week program, students find immediate improvement and newfound confidence in both themselves and their abilities. Furthermore, students who keep playing over the summer have a distinct advantage in the new school year over those who do not.

The full schedule, registration form, and contact information are listed on the back of this pamphlet. Please fill out the form on the back and return to Mrs. Shanagher at Central Middle School. If you have questions, please contact us.

We hope you will join us this summer!
