

Summer Fun 2019 is coming soon!

Look for our brochure which will be up on our website and sent home via students' backpacks the first week of February.

Registration conducted online at:

<http://www.warrentboe.org/schools/summerfun/registration/>

Registration opens officially on February 1, 2019!

Register early to ensure your child gets the classes they desire.

Don't get left behind. Sign up your children for our incredible program. This year we will be holding our five week program at the Angelo L. Tomaso School. Summer Fun is a unique program where students can attend academic support and enrichment courses. This year we have again opened our doors to Warren residents and residents of surrounding districts. This provides our Warren students an opportunity to meet new friends and socialize with children from other districts.

Our courses are taught by certificated teachers who specialize in the areas for which they teach. We offer a variety of classes where your child can grow and soar. We have sports, art, literature, math, drama, technology and scientific courses, all designed to be fun and educational!

We offer a **Super-Saver Discount** for each class period you sign your child up for; **Example: period 1 for all five weeks.** When you **sign up for all five weeks for one specific period** (you can choose a different class each week) you will receive **one week free.** We still have **Extended Care and After-Care but now offer Early Care.** We also provide a **Sibling discount of 10% off** the entire fee for each additional sibling that signs up.

What is great about our program is the fact that your child may register for one week, two, three, four or our entire five week program. Children may select different classes each week which allows them the opportunity to try many different courses as well as sign up again and again for their favorites!
