About the Program

Students are assigned to a group lesson and an ensemble, depending on what instruments they play and how long they have been playing. Generally speaking:

- *Beginner* – never played
- *Intermediate* – 1-2 years experience
- *Advanced* – 2+ years experience
- *High School* – entering 9th grade or higher

We have 5 highly qualified and experienced music teachers working in small groups to ensure not only success for our students, but enjoyment as well!

During our 4-week program, students find immediate improvement and newfound confidence in both themselves and their abilities. Furthermore, students who keep playing over the summer have a distinct advantage in the new school year over those who do not. We accomplish about 4 months of progress in just 4 weeks!

NEW THIS YEAR: Parents—we will have a quiet waiting area available for you during your child's classes. Feel free to stay and relax or get work done.

The full schedule, link to the online registration form, and contact information are listed on the back of this pamphlet. Please register online and send in your check to Miss Varner at Central Middle School. If you have questions, please contact us. See you this summer!
