

THE WATCHUNG ARTS CENTER

Children's Summer Art Camp 2019

The original Children's Art program in central Jersey celebrating 27 years inspiring young artists

Under the direction and instruction of **Mrs. Monica Schraiber Otero**, Art Camp is a four-week program during the month of July for ages 6-12. Focusing on **Creativity, Imagination and Ingenuity, Art Camp** offers children a unique opportunity to acquire or improve artistic skills, learn new techniques, explore different media and get inspired by famous artists, all, while having fun! Surrounded by the beauty of the Watchung Mountains, students appreciate both Art and Nature as they draw and paint outdoor scenes and have picnic lunches at Best Lake. **Students design their own camp T-Shirt.**

Four cycles on Monday thru Friday 10AM - 3PM (please bring a bag lunch)

Cycle I JULY 8-12

Cycle III JULY 22-26

Cycle II JULY 15-19

Cycle IV JULY 29-AUG 2

Please note the third cycle is from 11am to 4pm – late start

2019 Central Theme: **COLORFUL CULTURES**

Students will discover different art forms from various continents including Europe, the Americas, Asia, Africa and Oceania. Japanese prints, dream catchers, pottery, Chinese lanterns, ceremonial masks, totem poles, pieces inspired by master artists or ancient civilizations are just some of the projects in this exciting multicultural experience! Themed creations will vary each day as participants learn about the peoples and their languages as well as regional landscapes, landmarks, flora and fauna.

Workshops in different disciplines are scheduled throughout the week. Students draw using wet and dry media, sculpt with air-dry clay, paint, build structures using recycled materials, prints, collages and much more!

Final Exhibition - Art Camp culminates with a student show in the Lower Gallery featuring works from all three cycles. Relatives and friends are welcome to attend the opening reception. Date: TBA

Summer Art Camp was featured as the editor's pick in the July 30, 2015 edition of the Echoes Sentinel in a front page article.
