Buddy Ball Basketball is for children and young adults, ages 5 through high school, who are unable to participate in a traditional basketball program due to a disability. - Players are matched with volunteer “buddies,” who provide instruction and encouragement.
- Instructional, low key, fun program!
- Provides opportunities for parents to connect with other families.
- No cost to register or participate.
- Team Jerseys are provided.
- Coach Chris Smith, Warren Youth Basketball Association
- ALL special needs boys and girls are welcome! If you have questions about the program, please contact Coach Chris Smith @ [csmith@marmarasandsmith.com](mailto:csmith@marmarasandsmith.com) or Cathy Maguire @ [cmaquire@warrentboe.org](mailto:cmaquire@warrentboe.org).
