Dear WHRHS Learning Community Members,

As you are aware, the WHRHS district is embarking on the planning phase of our next Five-Year Strategic Plan, and we are asking for your input. We have retained the services of Hazard, Young, Attea & Associates (HYA), a firm that specializes in facilitating strategic planning and community engagement, to assist us in this process. To ensure our planning team broadly and deeply understands the current needs for our district, our learning community's priorities for our district's future, and our aspirations for our present and future graduates, we want to hear your thoughts. **Toward that end, we are inviting all members of our learning community to participate in a feedback session with HYA consultant, Dr. Judy Ferguson, on Tuesday, March 10th at 7:00PM in the WHRHS North Cafeteria and to enjoy light hors d'oeuvres and desserts prepared by our talented Culinary Club students.**

**If you are unable to attend this session but would still like to provide input, we are also offering an interactive online Community Forum. Using the Zoom platform, HYA's President, Max McGee, will be hosting this event from 7:00 p.m. to 8:30 p.m. on Thursday, March 12<sup>th</sup>.**

To participate in the virtual forum, you will need to download the Zoom app on your computer, tablet, or smartphone prior to the Forum. It is a free download through Apple or Android app stores or online at <https://zoom.us/>. Once you have done that, you just click on the JOIN MEETING BUTTON and enter the meeting ID Code (915042208) or just call in on your telephone. The following page includes all of the Zoom meeting information needed to join the virtual forum.

We look forward to hearing your thoughts and welcome and appreciate your input. The feedback from this forum will be included in a Community Engagement Report and presented publicly at an upcoming Board of Education meeting.

Warm regards,

A handwritten signature in black ink, appearing to read 'E. Jewett'.
