

Dear WMS Families,

The 2017-2018 school year is upon us already, and as you finish your final summer festivities and get your back-to-school preparations underway, I wanted to once again introduce both new and returning families to the WMS Food Days Program. Food Days is operated by the WMS PTO to provide our students with creative and healthy meal options at school, to provide our local vendors an opportunity to support our school and our students, and to provide a means of fundraising to support PTO sponsored activities that benefit our students throughout the school year.

### **Ordering and Logistics:**

All food days orders are placed on the website [myFoodDays.com](http://myFoodDays.com). If you do not already have an account, [please take a moment now to go to that website and create an account](#). You will be asked to add your child(ren) to the account and associate them with the correct school. **YOU are responsible for making sure you select the correct HOMEROOM (grade) for your child.** If you accidentally place your child in the wrong grade, their food will be delivered at the wrong time. Please pay attention to this when setting up your account and placing your order. Also, make sure that you check the box stating you wish to receive email communication – this will allow you to receive automatic notifications regarding ordering, payment, and any important updates pertaining to your orders.

**Mark Your Calendar!!**  
1<sup>st</sup> Cycle: **Aug 21 to Sept 1**  
[www.myFoodDays.com](http://www.myFoodDays.com)

The [calendar](#) attached gives a snapshot view of all scheduled food days and corresponding ordering periods. **PLEASE MAKE NOTE OF ORDERING DATES!** As always, no late orders can be accepted, regardless of circumstances. The labyrinth of spreadsheets, order forms and distribution lists that comprise the Food Days program is generated immediately upon closing the ordering cycle. Therefore, any additions / deletions / changes after that closure cut-off cannot be accommodated. Your understanding regarding this strict policy is greatly appreciated.

### **New for 2017-2018:**

There have been updates to the user interface on [myFoodDays.com](http://myFoodDays.com) which will make ordering more streamlined. Many of these were implemented through-out the previous academic year. They include automatic application of credits to your balance, and additional options for downloading the calendar of purchased food items. If you have any questions at all regarding placing your order or making your payment, please do not hesitate to contact me.

**Your Food Days Team:** Who we are, and who to contact when you need help or have questions!

**Administration:** [Christine Gubitosi](#) ([Christine.Ronaghan@gmail.com](mailto:Christine.Ronaghan@gmail.com))

I handle food days ordering, payments, credits, anything to do with the [myFoodDays.com](http://myFoodDays.com) website, and any general Food Days related questions or concerns. Feel free to contact me at any time...the earlier the better if you have questions on food days ordering procedures!

**Volunteer Coordination:** [Lisa Checchio](#) ([lisaivf@yahoo.com](mailto:lisaivf@yahoo.com))

Lisa handles all volunteer coordination – and it takes MANY volunteers to make this program work. If you have signed up to assist with the food days program, you have already heard from Lisa. If you would like to sign up, either on a regular basis or as a substitute when needed, please contact Lisa and let her know!

**Vendor Coordination:** [Maria Pontoriero](#) ([pontilaw@optonline.net](mailto:pontilaw@optonline.net))

Maria is our vendor liaison who spends significant time and effort making sure our menus are healthy and diversified, our costs are reasonable, and our vendors are meeting or exceeding our expectations. Should you have any questions on the menu or on specific food items, please contact Maria.

On behalf of the entire Food Days Team, I welcome you all back to school and back to a terrific lunch program which can only happen with your support. Enjoy the rest of your summer, and don't forget to place your first FOOD DAYS ORDER between **August 21 and September 1<sup>st</sup>**.

Thank You,

Christine Gubitosi
