

Algebra Help Club (PM Club)

Do you need help? This is a "drop-in" club being offered to students currently enrolled in Algebra at WMS. Come hang out with us in a relaxing setting where you can do your homework with your friends, or get extra help on something you had trouble with in class or on a test.

Advisor: Ms. Hunt

This club is for grades 7, 8

The club will begin in September and end in May

This club meets on Tuesday

Art Magazine (PM Club)

If you love to create art and want to see it published on our school website, then this is the place for you. In Art Magazine we work as a group to write, draw, paint and design our very own magazine. Come learn about publishing and how a design studio runs. Work with other students to create a magazine filled with your art.

Mindful Matters Club (PM Club)

In today's society more and more children are being bullied especially with the huge growth of social media in their young minds. One way that we can deter bullying is teaching kids how to be mindful of others. In the Mindful Matters Club we will be organizing service projects to help others (both in and outside of school) while also recognizing random acts of kindness throughout the building. The Mindful Matters club encourages all students to be kind, respectful, and show gratitude.
