

SATURDAY, OCTOBER 26, 2019

8:30AM -1:00PM

SOMERSET COUNTY VO-TECH

YOUNG LADIES WANTED!!

Program specifically designed to encourage young ladies in grades **7 and 8** to prepare for future success. There will be three interactive areas for learning about science and engineering while developing valuable teambuilding skills. There will also be a panel of amazingly successful STEM women to provide insights and possible mentoring opportunities, and to answer questions. Additionally, there will be “Science Games” with fun prizes. Lunch is included!

NOTE: Free event but open to Somerset County Residents only. Only 90 applicants will be selected; notifications will be made by October 15th.
