Things to Know

Cross Country

The Cross Country Team had an amazing final home meet yesterday against Long Hill with the boys taking the top six spots and the girls taking the top five spots. The top boys were: Nolan Holliss, Preston Sousa, Connor Feeney, Arin Shah, Mateo Giacone and Mark Armento. The top five girls were: Hayden Montgomery, Angelina Pontoriero, Emma Bariso, Julie Feldblum and Emma Xu. All athletes competed well and many PRs were made yesterday. Great job! We will have practice today and tomorrow.

Girls Soccer

Congratulations to the WMS girls soccer team for capping their 8th win of the season over a tough Hillsborough team. The 3 - 0 shutout will help position our Wolverines for the upcoming playoffs. The goals, 2 by Maya Rebimbas and 1 by Allie Fahs, and again the impressive defensive play, highlighted the teams overall outstanding performance. Wish the team good luck as they battle crosstown rival Basking Ridge, away this afternoon. Go Wolverines!

Esports Team

If you are interested in being part of an Esports team here at Warren Middle School, please check your email and fill out the form for the "Esport Student Interest Survey".

Late Buses

Students must take their assigned late bus and get off at their assigned stop. Beginning next week, all students riding the late bus will be required to have a late bus pass that will be handed out during club or sports.

SGA

The SGA is looking for students who would like to be part of our committees. All students are allowed to join a committee, and all committees are equally important to have! Students who already applied for an executive office position or who want to be a Grade Level Representative can also be part of committees.

There are currently six different committees:

1. Special Programming/Student Engagement Committee
2. Walkathon Committee
3. Community Service Committee
4. WMS Newsletter and Podcast Committee
5. SGA Website Committee
6. Green Committee

We are currently looking for about 8 people for the SGA website and WMS Newsletter and Podcast committees, and about 25 people for the other committees. Also, if you have any additional ideas for committees, please feel free to email or talk to either Mrs. Lontai or myself! We will be open to all ideas for committees, and we would love to add more to the list.

If you would like to be part of a committee, please pick up a sign up sheet from the library or the SGA board in the APR. Sign up sheets are to be submitted in the SGA mailbox. Committee applications will be due on Monday, October 23rd.
