Things to Know

Red Ribbon Week

This week is Red Ribbon Week. Red Ribbon Week highlights the importance of living a drug-free life. It presents an opportunity for parents, educators, and communities to reinforce the drug-free messages they share with their children throughout the year. During Red Ribbon Week, youth and adults around the nation pledge to increase their knowledge by learning more about the destructive effects of drug abuse, including prescription drug misuse. We will be wearing red or pink on Friday 10/27 to renew our commitment to live a healthy, drug-free lifestyle.
