## 11 Days of Kindness Mission

Thank you all for your participation in joining the Pay It Forward 9/11 Foundation in their 11 days of kindness mission to “restore the kindness and unity the world witnessed in 2002.”

We will of course continue our random acts of kindness and Mrs. Ronkiewicz has graciously offered to continue to add to our confetti jar in the main lobby. Remember the mission of the Pay It Forward 9/11 foundation is that we all “do three good deeds and watch the ripple effect.” Every act of kindness, no matter how small, has a positive impact on our community.

Let’s continue to spread kindness at WMS and beyond!!!

## Jazz Band

Anyone interested in being in Jazz Band will need to play for Mr. Van Tine during WIN on Monday, September 30. For more information, see Mr. Van Tine or visit his website.

## After School Clubs

Club requests have been finalized and shared in students’ Genesis accounts. Rosters, as well as club meeting locations, have also been posted in the APR and can be viewed during lunch. Students must have a signed permission slip which can be found in the Genesis Parent Portal under forms in order to participate. Please email Mrs. Decelle or stop by room 14 with any questions.

## Cross Country

Cross Country Meet at Summit today. There is NO practice for non team members today (Thursday). There is a home meet on Monday against Green Brook. All team members should attend.

## Boys Soccer

The Boy's Soccer team lost a close game at home to Franklin yesterday with many chances to win the game. Zeke Minieri scored a beautiful goal, Constantin Bellman made some fantastic saves in goal for the Wolverines. The whole team played together and were close to scoring several goals. A shout out to the boys as they fought hard. The next game is Friday, away at Clinton Twp.
