Red Ribbon Week

Red Ribbon Week highlights the importance of living a drug-free life. It presents an opportunity for parents, educators, and communities to reinforce the drug-free messages they share with their children throughout the year. During Red Ribbon Week, youth and adults around the nation pledge to increase their knowledge by learning more about the destructive effects of drug abuse, including prescription drug misuse.

Boys Soccer

The Boy's Soccer Team faced #2 seed Ridge yesterday in the semifinals in a thrilling back and forth match. Anish, "the magician" Bhavanasi struck first, scoring a beauty in the first half. Ridge tied the game with an unlucky goal late in the first half. The midfield and defense neutralized Ridge's playmakers all day, giving them no space to shoot. A questionable late penalty was then awarded to Ridge with only a few minutes remaining as they scored and went ahead 2-1. Warren kept pushing and although we lost, we proved ourselves to be a top 2 or 3 team in the league and should be proud of the effort. Please congratulate the boys on an amazing season and for leaving it all on the field.

E Sports

In Esports news, the WMS Rocket League Champions team defeated Kenneth R. Olson Middle school yesterday 3 games to none. Kieran Robertson, Arvind Raj, and Ajay Prabhu dominated the match from start to finish. This win may secure them a slot in the state tournament. Wish them and Rohan Nicholson luck as they finish the season against Maurice River Township Middle school next week!
