*"Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world" Harriet Tubman*

## Kids Heart Challenge

The Kids Heart Challenge started this week, and we have already raised over \$400! More importantly, we want to ensure that students register at [heart.org/schools](https://heart.org/schools) to learn the lifesaving skills of Hands-only CPR, how to recognize the signs of a stroke, and other heart-healthy activities to keep their hearts pumping strong. Your heart is not going to start itself! Bystanders who see someone having cardiac arrest only perform CPR 46% of the time. Immediate CPR can double or triple a person's chance of survival.

## Girls Softball

There will be a meeting for all girls interested in playing softball on March 5th at 7:30 before school in the APR.  
If you have any questions please see Mr. Rizzolo.

## History Club Trivia

Congratulations to **Nevin Kadavil** and **Rohan Nickleson** for correctly knowing that George Washington's teeth were made out of Ivory, slave teeth and cow and horse teeth. Not wood.  
See Mr. Arnold in room 51 for your prize!

## Spring Sports

Spring sports sign ups are now open in genesis. Please sign up and make sure all paperwork is up to date before February 28th at 3pm.
