2025 WMS Geography Bee

Last Friday was the 2025 WMS Geography Bee where eight amazing students demonstrated excellent geographical knowledge! Our students went through six grueling rounds of challenging questions. Congratulations to 6th grader Jairus Payyala who is our school's first runner-up. And a BIG CONGRATULATIONS to our WMS School Geography Champion, Nathan Chu! Great job, everyone!

Pi Day

On April 4th, the SGA is hosting a Pie a teacher in the face day!!! This day is in honor of Pi day which was on 3/14. Which teacher will get a pie in the face?? That depends on how much money each teacher gets donated to their pie plate in the APR. Bring in your small change and see if you can get the teacher you want to receive a pie in the face! Donations will be collected next week during lunch. All donations will go toward programming for the Student Government Association. This is all in good fun and teachers have volunteered to be part of this day.
