## Clubs

Calling all current 6th & 7th graders! Mrs. Decelle wants to hear your ideas about what clubs we should offer for the 2025-2026 school year! Suggest a new club, tell us what it would be about, and why you think students would enjoy it.

Be creative - your idea could become a real club! Please complete the Google Form in your email no later than Friday, May 9th.

## Musical

Are you interested in the spring musical for next year? Do you have a suggestion for what we should perform? Drop by the band room, and put your suggestion in the suggestion box between now and May 23rd!
