Boys Soccer

The Warren Middle School Soccer Team started off their season with a big away win at Montgomery 4-2. Daniel Manata, Shane Stoddard and Enzo Firenzouli all contributed a goal and an assist, while Enzo made the defense dance the salsa all day with his footwork and skill. Kieran Melia finished off the scoring with a nice one time goal of his own. The midfield pivot was run by Danny "the engine" Arpino and Michael "Jordan" Robinson. Shout out to the defense as the only goals scored were from spot kicks. Nico De La Cruz and Zeke Feliz put in a great showing in goal between the sticks. Warren plays home on Friday vs. Readington, come and cheer the boys on!

Rocket League

Congratulations to your Rocket League team as they dominated Brigantine Middle School in their first matchup of the year! They swept the series with crushing scores of 10-3, 9-0, and 3-0. Arvind Raj was on fire, racking up 14 goals, while Kieran Robertson slammed in 8 goals of his own. Incredible teamwork and skill from the whole squad—way to represent Warren Middle! Let's give it up for our Rocket League team, and hope they keep the momentum going into the next match as they square off against a tough Bayshore Middle School team next Tuesday! Great win team!

Spring Musical

Are you excited to find out this year's spring musical?

Keep an eye on the lockers outside the band room, as we remove 2 options each Friday until the final announcement on November 10th!
