Girls Soccer

The girls soccer team had a thrilling clash against Ridge, on Friday, in the conference semifinals. After a hard fought first half the girls were level at 1 to 1, with a goal from Ashi Arora on a beautiful cross by Capri Curtis. Early in the second half the girls went down 3 to 1, letting up two goals in quick succession. When it seemed like all hope was lost, Bella Sicignano dived through the defense and slotted a goal home in the bottom corner, which was the spark the team needed to begin their comeback. Tenacious midfield play from Mia Prisco, Hannah Richmond, and Ava Patel began to turn the tables on Ridge. Soon after Bella's goal, Brielle Weinstein added one of her own, powering a shot past the keeper. Late in the second half, when it looked as if the teams would head to PKs Bella Sicignano put home the game winning goal on a header from a magnificent cross delivered by Brielle Weinstein. From there, the girls locked down the defense and came away with a semifinal victory 4 to 3. The girls will take on Bridgewater tomorrow, at home, looking to end their seven year championship drought. Come out and support the girls as they work to lift the League trophy, game time 4pm.
