

WMS DAILY ANNOUNCEMENTS

November 26th
A Day

Upcoming events:

11/27 - 11/28 - School Closed Thanksgiving

This is a message to all the WMS students who show kindness every day. You may not hear your name on the morning announcements and you may think your actions go unnoticed, but know that you are making a difference and we appreciate you. It takes one small act of kindness to change someone's day. This can be a smile, a simple hello or standing up for someone when others are unkind. It is tough to be a middle school student. It's hard to stand out and it can be hard to fit in. But when we make choices to support and encourage others rather than discourage them, we create an environment where everyone can find their place. So this message is for you - The ones who stay positive, who do the right thing when no one is watching - we notice your kindness—and it matters. Thank you for showing what it means to be the heart of our school. Keep being the reason someone smiles today!

Happy Thanksgiving Everyone!

SPONSORED BY THE PTO AND SGA
