WMS DAILY ANNOUNCEMENTS

December 10th
A Day

HAPPY WEDNESDAY!

Boys Basketball

The boys basketball team started off the season in spectacular fashion. Warren middle was rocking. The team started out strong and battled for 32 minutes against Summit. Thanks to dominating defense down the stretch the team had one last chance to emerge. JP inbounded the ball to Max Skierski and he drove to the hoop and pulled up from 12 feet and knocked down the game winner with 6 seconds to go! NOTHING BUT NET!!!! Chase Phillips stole the ball back to seal the first win against Summit in 30 years. CP also led the team in points with 14 and rebounds with 16. Max added 10 points, Faisal Hussain scored 8 and JP Camacho added 7 points. Chase Surbrug also had a great game but might have two black eyes today.

Chess Team

Please congratulate the following students on making our chess team!
This is a competitive team that they had to try out for.
We will compete against other middle schools in NJ.

6th Grade
Shrey Vijaywargiya - Robert Prodan - Aarav Gadekar - Zach Greaves

8th Grade
Ilia Gekhtman - Farrah Hassimi - Robbie Son

Continental Math

Reminder to all students who signed up for Continental Math, Continental Math
is Wednesday, Dec. 10.   Please make a Smartpass and report to
Mrs. Cirrotti's room during lunch and WIN.
If you are in Mrs. Lo's class, you do not need to come.

Gingerbread Houses

WMS, you can use your CHANGE to make CHANGE!

Check out the amazing gingerbread houses in the APR. These gingerbread houses were created by the staff of WMS Vote for your favorite by adding any spare change to the canister for that house.

The house that generates the most money will be named the winner before winter break! The creators of that house will determine which charity will benefit from all of the spare change!

Be a part of the voting and use your spare change to make change!
