### WMS School Forensics Team

**Huge congratulations to the Warren Middle School Forensics Team for an extraordinary showing at the Basking Ridge Forensics Competition—one of the largest and most competitive public speaking events in the entire state! 🎉**

All **thirteen girls advanced to the final rounds**, an incredible achievement in itself. For many of them, this was their **very first live competition**, yet they performed with confidence and composure, standing toe-to-toe with powerhouse programs from Assumption, Ridge Middle School, and Montclair Kimberley Academy. Their hard work, courage, and talent were on full display, and we could not be more proud of this phenomenal group of young performers! 🌟

Special thanks to Mr. Bardy for his judging, computer expertise, encouragement, and all-around calming presence in a long day, and alumnus Reyhan Shah for judging.
