Sister Rose Thering Arts Competition 2026

Congratulations to 8th grader Isabella Santos on winning first place in the Sister Rose Thering Arts Competition 2026. Isabella's award winning painting, "The Beauty in the Differences" won first prize in the state and will be recognized with a cash prize in a ceremony at Seton Hall University on April 19, 2026. This year's theme was TRANSFORMING APATHY INTO EMPATHY. Isabella creatively demonstrated how when we use empathy through patience and compassion, we can bring light into the darkness of other people's lives. Congratulations Isabella!

8th Grade Mock Trial

Congratulations to these 8th graders who won first place in the New Jersey State Bar Foundation's Annual Law Adventure Contest! Out of over 84 cases submitted from around the state, our 8th grade girls won first place! Their case entitled, "Beverly and Theodore Zietz vs. Orange 12, Inc. " is a fictional story about parents suing a social media platform for allegedly contributing to a teen girl's mental health disorder. In May, these students will perform their case in front of about 200 people at the New Jersey State Bar Foundation in New Brunswick.

Please join me in congratulating the following students:
