## Baseball

To start off the 2026 baseball season, the baseball team won a hard-fought game against Readington. In the first inning of the game, Owen Delamen started the game off pitching. Redington had a double that scored one run. But Warren answered right back with 4 runs, and Owen pitched a 1-2-3 inning.

The game went scoreless because of the great defensive efforts, like Roman making a great play at first base, Ben's great fielding at short stop, and Gavin, Noah, Shail, and Rehan's efforts in the outfield, and Chase's great defense behind the plate catching. Then, later in the game, Matteo had his first extra-base hit of the season with a stand-up double that went over the left fielder's head, but Redington stopped Warren's offense and held them to zero. In the 6th inning, Lorenzo came in to finish off the game and stopped the Redington offense. This was also the inning where Warren's offense scored two more runs. Then Lorenzo came back in and shut the offense down to win the game for Warren.
