Race to Kindness 2026-27 Challenge begins !

Welcome to the WMS Race to be Kind Challenge!!!

We will kick off September with the Pay It Forward 9/11 movement 11 days of kindness

The challenge -

WMS students will participate in a Race to be Kind Challenge to honor heroes and all whose lives were touched by the events of September 11, 2001. You may receive a card from a teacher recognizing a random act of kindness. The card is a reminder from the Pay It Forward 9/11 foundation to "pass it on" so that your good deed continues to spread. Following our 11 days of kindness, we will keep the spirit going with our own "kindness cards" which students can earn when a teacher observes a random act of kindness. Cards will align with the CASEL core competencies of self-awareness, self-management, social awareness, relationship skills and responsible decision making.

Students receiving kindness cards will be announced each week on Friday Kind-Day. In addition, each act of kindness will be visually represented outside of the counseling office.
