Girls Soccer

The girls soccer team came flying out of the gate yesterday vs Montgomery, winning 6 to 3. Hannah Richmond opened the scoring with a well placed shot from the top of the box and Taylor Berens added her own a few minutes later. The girls gave away 3 goals in a back and forth first half but tightened up the defense in the second shutting out their opponent. WMS scored four goals in the second half with offensive contributions by Ava Patel, Noa Zissu, Aubrey Liao, and Savannah Maurer. The team looked great in their opening game and are ready to take on the rest of the league.

Boys Soccer

The Warren Boy's Soccer team started off in style at home beating Montgomery 6-0. Riyaan Parti scored two goals and added an assist as he dribbled through the defense. Daniel Manata scored one goal and added a beautiful assist to his dominant display.

Isaiah Mohallim scored a beauty off of a corner and Roman Manosane confidently converted from the penalty spot. Shane Stoddard added a beautiful assist, dominating the wing and Josh Menendez added an assist after running past the defense all game.

Roman Bentzinger added a late assist in the game as well. Zeke Veliz scored a goal, did a backflip and played goalie all in the same game, possibly a new world record. Shout out to goalies Ben Rodrigues and Noah Lafkowitz who helped to keep a clean sheet!
