Cross Country

The Cross Country team had an amazing first meet at Green Brook yesterday. With a field of 110 runners from four schools, the first two overall finishers were from Warren! Matthew Holliss won the race and Julian Cardenas came in a close second. Lucas Amador had a strong finish, coming in 7th. The girls also had a fantastic showing with Mila Czarnecki finishing first for the girls, Abby Fattell coming in third and Lily Rodak coming in fourth. Great job team! We will have practice after school today until 3:50.
