

WMS DAILY ANNOUNCEMENTS

October 14th
A Day

Upcoming events:

10/20 - START OF CYCLE 2

10/28 - PICTURE RETAKES

Peer Mediation

Attention all 7th and 8th graders! Are you interested in becoming a Peer Mediator? Now's your chance! If you'd like to be trained to help fellow students work through conflicts and build stronger friendships, complete the student application in the Peer Mediation Google Classroom by October 19th! If you have any questions, stop by the counseling office and speak with Ms. Cohen or Ms. Rotella.

Boys Basketball

There will be a Boys' Basketball Team Informational Meeting on Oct. 20 at 7:45 in the gym. Please turn in your physicals ASAP. Tryouts will be Nov. 10,11,12 from 3:00- 5:30.

Cross Country

Attention Cross Country team:
The meet against Long Hill today has been cancelled. Hopefully it will be rescheduled for Monday, October 19. We have practice today and tomorrow until late buses at 3:50.

Rocket League

Huge shoutout to our undefeated Rocket League team, who fought valiantly yesterday against a tough Somerville Middle School squad! We started the match strong, going up two games to zero. After battling hard through three intense overtime matches, we came up just short of the win. It was awesome to see the team play at such an amazing level. Our RL team is already looking forward to a rematch when they head to the state tournament next month!

Boys Soccer

The Warren Boys Soccer Team dominated Ridge on Friday at home, winning 7-1. The team started off slowly, but took control with a 4-0 lead at the half. In the second half, Warren was able to play our goalies on the field and experiment with some different lineups and formations. Warren is tied for first with Bridgewater and looks to keep their first round playoff bye as we take on Franklin away on Thursday! Congratulations to the team as we continue on this great season!
