Hoffheimer House

Have you ever noticed that old historic building at 46 Mt. Boulevard? That is the Hoffheimer house, and right now, our town is deciding its future. Built in 1915, It wasn't just our old town hall, it was built by one of the founders of General Motors, the company that makes millions of cars today. Its grounds were even designed by the same people who created Central Park in New York! We shouldn't let this piece of history disappear. Saving it means we get a cool, new, community center and a new place for kids to hang out. Let's protect our history!
