

# Warren Township Schools

*Shining Brighter Every Day*

November 5, 2018

Dear Parents and Guardians,

American Education Week is an opportunity for the school community to celebrate the importance of education and the excellent work that takes place in our schools on a daily basis.

We know that parental involvement in the schools has a tremendous influence on children's academic success and emotional development. Parental involvement can range from attending school functions, providing encouragement, helping with homework, or volunteering to help at an event. Whatever form it takes, it is a vital aspect of quality schools and student success. Thank you for understanding that this is a Kindergarten through 5<sup>th</sup> grade event only.

I invite you to join us next week during the set-aside classroom visitation times outlined below. Please see the second page of this letter for individual class schedules.

A few items that I would deeply appreciate your attention to:

- Sign in at the front tables upon entering the building.
- Only attend classrooms in which your child is a student.
- Please enter classrooms discretely and remain near the back of the room unless otherwise requested by the teacher.
- Do not bring other children to this event.
- Pictures and videos are not permitted.

Sincerely,

Mr. Cook
