### Drama Club: Mrs. Jackson & Mrs. Annese

#### Monday Before School

We are so excited to present this club! The goals of the Drama Club are to have students work cooperatively in putting on a musical, learn the important roles connected with a performance, individually challenge themselves (actors, singers, dancers, backstage) and develop an appreciation for the art of drama. This year we are inviting 3rd, 4th and 5th graders to come and join us! Students will prepare a song or part of a song for their audition. The audition is used for best placement in the show. **Auditions will take place the week of September 16.** Please look for info sent home on when your child needs to come in. Every student who signs up for this club is part of the production. The final production is presented to the school and families. We meet Monday mornings.
